The history

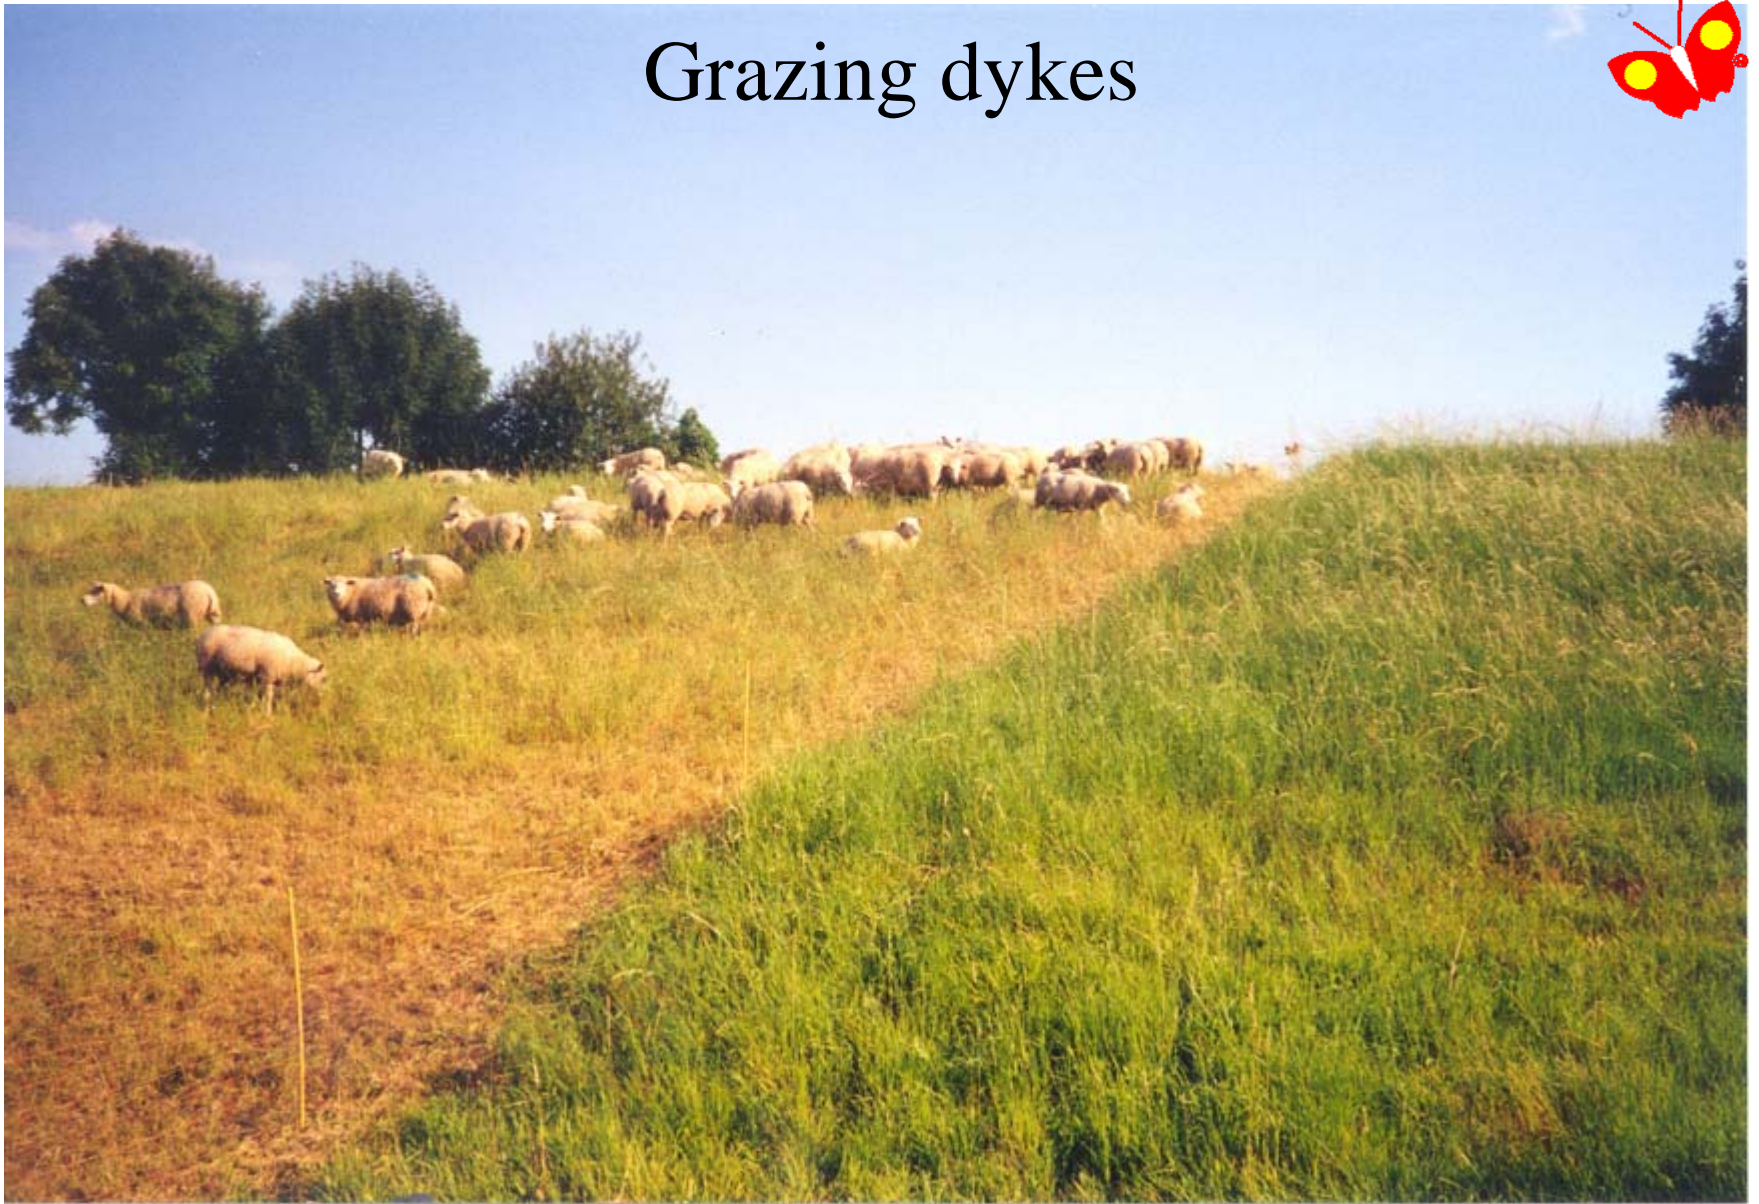

The first public relations on a public market

- ✓ Animal welfare
- ✓ No imported protein
- ✓ Directly to consumer

Grazing dykes

Limousin cows sold as a special delicacy

Cows give milk for a long time, and graze marginal land

Grass-steers kept on grass land with their mothers

Galloways are used to graze nature reserves

natuurpunt 

natuurrundvlees

Galloway meat can be ordered in 30 organic shops

Meat is the main product

The more added value the smaller the difference in sales price
